

Land Development Specialists LLC

Monthly Report | October 2026

Brian Woods | Prepared by Mark Kendrick

This monthly report documents on-site changes and summarizes off-site SEO work and results. The specific off-site methods remain confidential to protect proprietary techniques.

OFF-SITE

Results are summarized here when there is a change to report. Specific methods remain confidential.

October 9, 2026, 5:26 PM PT

ON-SITE

We added a residential land entitlements page. It explains what a land use approval is, how that approval differs from a construction permit, and how applications, agency comments, and conditions of approval are tracked. The wording comes from questions 109 through 120. Entitlements
